## **BEST SEAT IN THE HOUSE**

*Sponsored by Kincart Ag, LLC*

Two lucky people at each performance will get to watch the rodeo from the "Best Seats in the House". Just prior to the beginning of each performance, two people will be chosen at random by our committee. They will be catered to during the performance by delivering food and beverages at no charge to the lucky winners!

## 2023 DC Fair Quilt Block Contest

It's time once again for the quilt block contest. Enter the contest by creating a block from the fabric provided. Blocks will be judged and displayed in the Davis County Fair Hall July 11-16, 2023. You may win one of several prizes.

After the fair, the blocks will be made into a beautiful quilt that will be raffled during the 2024 fair. All profits from the raffle will be used to improve the art hall. Each packet is \$5.00, which is tax deductible. Pay by cash or check made out to Davis County Agricultural Society.

Come to the fair to see the quilt blocks and the quilt made from the 2022 blocks. You may purchase raffle tickets. Good luck in the contest. Thank you for your participation and support of our fair.

### QUILT BLOCK THEME: "Best Overall Fair "

Rules: (read these as they change every year)

1. Each contestant is receiving a packet containing four pieces of fabric. Add no other fabrics.
2. Each block must be 12 ½" x 12 ½" "unfinished. Your block will not be judged if the size is incorrect.
3. Blocks can be machine or hand pieced. Embellishments, machine/hand embroidery & applique is allowed.
4. The contest is limited to the first 40 people. Only one block per person. Blocks will be judged on creativity, best use of fabrics provided and workmanship.
5. All blocks will become the property of the Davis County Agricultural Society.
6. For judging purposes, do not attach finished blocks to any backing.

### 1. \$100 1st Place

### 2. \$25 People's Choice

### 3. \$10 Outstanding Block in two categories: -Pieced Block & -Paper Foundation Pieced Block

### 4. \$10 Best use of fabric

### 5. \$10 Machine embroidery

### 6. \$10 Hand embroidery

Be sure to buy several chances to win the 2022 quilt. Winner will be drawn on Saturday, July 15 at 6pm

A special Thank You to the *Scissors Happy Sewers Club* for preparing the fabric packets and *Davis County Recorder's Office & Upholstery & Sew Forth* for helping to distribute the packets

# Art Hall Exhibits (Cont)

## **2023 HEALTH REQUIREMENTS FOR EXHIBITION OF LIVESTOCK, POULTRY AND BIRDS AT A COUNTY 4H/FFA FAIR EXHIBITION**

ANY EVIDENCE OF WARTS, RINGWORM, FOOT ROT, PINK EYE, DRAINING ABSCESES OR ANY OTHER CONTAGIOUS OR INFECTIOUS CONDITION WILL ELIMINATE THE ANIMAL FROM THE SHOW.

No individual Certificate of Veterinary Inspection will be required on Iowa origin animals or poultry exhibited at County 4-H/FFA Fair, but the animals must be inspected when unloaded or shortly thereafter by an accredited veterinarian. Swine are required to be inspected either before being unloaded or before leaving a designated isolation and inspection area (prior to mixing with any other pigs). All animals moving from out of state into an Iowa county 4H/FFA Fair must meet Iowa Animal and Livestock Importation requirements. Each show must have an official veterinarian.

Quarantined animals or animals from quarantined herds cannot be exhibited.

Official identification listed on a Certificate of Veterinary Inspection required for all cattle and bison of any age **coming in from out of state** used for rodeos, recreational events, shows and exhibitions.

### **SWINE**

All swine must originate from a herd or area not under quarantine and must be individually identified. All swine are required to have individual official identification. All 4-H and FFA tags bearing the US shield  are official identification tags.

**Swine originating outside of Iowa.** All exhibitors must present a test record and Certificate of Veterinary Inspection that indicate that each swine has had a negative test for pseudorabies within 30 days prior to the show (individual show regulations may have more restrictive time restrictions), regardless of the status of the herd, and show individual official identification on test report. Electronic identification will not be considered official identification for exhibition purposes.

**Swine exhibition requirements.** “Swine exhibition” means an exhibit, demonstration, show, or competition involving an event on the state fairgrounds, a county fair, or other exhibition event. The sponsor of the exhibition must retain an Iowa licensed veterinarian to supervise the health of the swine at the exhibition location. The sponsor must electronically file the approved registration form and obtain approval from the state veterinarian at least 30 days before the event. The registration form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; and the date of the planned exhibition. Sales of swine will not be allowed unless the event has been registered and received approval from the state veterinarian 30 days prior to the event.

**Swine exhibition report required.** The sponsor of the swine exhibition shall electronically submit to the department the approved report form within five business days after the conclusion of the exhibition. The form includes the name of the exhibition and the address and telephone number of its location; the name, address and telephone number of the veterinarian; the date that the exhibition occurred; the name, address and telephone number of the owner of the swine; and the address and telephone number of the premises from which the swine was moved after the exhibition if such premises is a different premises.

### SHEEP AND GOATS

All sexually intact sheep must have an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678) or another official Scrapie tag. All sexually intact goats must be identified with an individual Scrapie Flock of Origin identification tag (Ex. IA1234-5678), another official Scrapie tag, or by an official tattoo registered with USDA (to register, call 1-866-USDA-TAG; 1-866-873-2824). Wethers less than 18 months of age are required to have an individual identification and a Scrapie tag may be used, but a Scrapie tag is not required.

### POULTRY AND BIRDS

All poultry exhibited must come from U.S. Pullorum-Typhoid clean or equivalent flocks, or have had a negative Pullorum-Typhoid test within 90 days of public exhibition and the test must have been performed by an authorized tester. (SEE GENERAL SECTION 1.B) **Please note: Poultry purchased from a hatchery and raised for exhibition are not exempt from Pullorum-Typhoid testing requirements.**

However, "Market Classes" of poultry consigned to a slaughter establishment are exempt from the Salmonella testing requirements. "Market Classes" of poultry must be separated from all other poultry by a distance of ten or more feet and/or an eight-foot-high solid partition.

### DOGS AND CATS

All dogs and cats exhibited must have a current rabies vaccination certificate.

### FARM DEER

**Accredited veterinarians must be approved to administer tuberculosis tests on Cervidae.**

"Cervidae" means all animals belonging to the cervidae family, and "CWD susceptible cervidae" means whitetail deer, blacktail deer, mule deer, red deer, elk and moose. Native Iowa Cervidae may be exhibited without other testing requirements when accompanied by a Certificate of Veterinary Inspection that lists individual official identification.

All Cervidae must have been part of the herd of origin for at least one year or were natural additions, or must have originated from a chronic wasting disease monitored or certified herd in which these animals have been kept for at least one year or were natural additions. Cervidae originating from a herd with a diagnosis, signs, epidemiological evidence, or area under quarantine for chronic wasting disease may not be exhibited. The following statement must appear on the Certificate of Veterinary Inspection:

"All Cervidae on this certificate have been part of the herd of origin for at least one year or were natural additions to this herd. There has been no diagnosis, signs, or epidemiological evidence of chronic wasting disease in this herd for the past year."

THE DECISION OF THE OFFICIAL SHOW VETERINARIAN WILL BE FINAL.
